

# BLUE ABADI FUND

## MONTHLY UPDATE, MARCH 2019

### ACTIVITIES

- **1 – 20 March:** BAF Administrator facilitated the Cycle 2 Subgrantees on completing the required documents which was a good effort from the subgrantees to learn more on preparation in receiving the grants from Blue Abadi Fund, and to further learn about the expectations for them in running the program. BAF Administrator supported this by facilitating the process through face-to-face meeting, calls, emails, etc.
- **21 March:** Signing Grant Agreement of BAF Cycle 2. The signing agreement process was conducted through a Workshop. The Cycle 2 Subgrantees who attended this process are:

Five from eight Primary Subgrantees:

1. Yayasan Penyu Papua (YPP)
2. Yayasan Misool Baseftin (YMB)
3. Yayasan Nasareth Papua (YNP)
4. Yayasan Raja Ampat Sea Centre
5. Fakultas Perikanan dan Ilmu Kelautan Universitas Papua: Tim Pengelola Kapasitas Sumber Daya Manusia

\*As for the other three remaining subgrantees (BLUD UPTD Pengelola KKP Kep. Raja Ampat, LPPM UNIPA and Yayasan Kalabia Indonesia) are still finalizing the close out of the Cycle 1 phase and revising the proposals for Cycle 2.

Eleven from twelve INOVASI Subgrantees:

1. Kelompok Masyarakat Pengawas (POKMASWAS) Nusa Matan
2. Himpunan Pramuwisata Indonesia (HPI)
3. Konsorsium Mitra Bahari Papua Barat (KMB-PB)
4. Komunitas Peduli Sungai Remu
5. Professional Association of Divers Raja Ampat (PADRA)
6. Kelompok Nelayan Maido Fa
7. Kelompok Masyarakat Konservasi Penyu Belimbing (POKMAS KUMEP)
8. Yayasan Eco Raja Ampat Lestari (CORERI)
9. Perkumpulan Akawuon
10. Kelompok Usaha Wisata Wadowun
11. Yayasan Mange-Mange Papua (YM2P)

\*As for one partner left, Koperasi Bank Sampah Sorong Raya (KABASRA) is still finalizing the revision of their proposal.

## CHALLENGES

- Outstanding and delays of final report submissions from the partners/ subgrantees are still our main challenge. However, mostly are done at this point.
