

FOLLOW UP MEETING ADMINISTRATOR BAF AND UNIPA

Following up on the discussion process of BAF and UNIPA collaboration, on **October 6, 2019**, the BAF Administrator invited UNIPA to hold the second meeting in Jakarta. The meeting was attended by Alexander Yaku as the Vice Rector IV for Planning and Cooperation of UNIPA, the management of KEHATI, and BAF TL.

At this meeting, Yaku reiterated that the collaboration between BAF and UNIPA will be managed by the Internal Board, under the supervision of UNIPA's Vice Rector IV. However,

to date UNIPA has not yet established an internal board for BAF Project.

2nd Meeting of Administrator and UNIPA in Jakarta

Donor, UPTD, YNP, customary council dan Jaga Laut team in front of KKPA Misool Utara Surveillance Post

Activities attended by donors on this field visit include:

1. Inauguration and Handover of North Misool Sub-KKPD Post

North Misool Sub-KKPD Post was built through the funding of the UPTD BLUD KKPD Raja Ampat as its contribution to the implementation of protection and supervision in North Misool Sub-KKPD. This Marine Guard Post as inaugurated

directly by Syafri, Head of UPTD BLUD KKPD Raja Ampat, and then it was handed over to the Nazareth Papua Foundation (YNP) to be managed and utilized to support community-based patrol activities.

2. Discussion with BAF Primary and Innovation grantees

Pada akhir kunjungan, mitra hibah besar Primary (YNP, YMB, YPP) dan mitra hibah kecil Inovasi (HPI) diberikan kesempatan untuk menyampaikan Presentasi Kemajuan Pelaksanaan Kegiatan yang didanai melalui program BAF siklus-2 serta capaian sampai saat ini.

At the end of the visit, Primary grantees (YNP, YMB, YPP) and Innovation small grantee (HPI) were given the opportunity to deliver presentations on their progress of activities implementation and achievements to date.

Discussion with BAF cycle-2 grantees

BAF LESSONS LEARNED WORKSHOP

The workshop aimed at developing Blue Abadi Fund Learning documents, on **October 21, 2019**, CI organized the "Blue Abadi Fund Learning Workshop" in Denpasar, Bali. The workshop was attended by CI, KEHATI as BAF Administrator, GC BAF member, SCAC member, LRC member, and Starling Resources

Workshop Participants

Workshop was managed in two sessions. They are:

1. Session-1: Explanation of BAF Background

The workshop opened with a presentation by Chris Stone (CI) regarding the background of the establishment of the BAF, the governance model and the update of BAF current implementation. Furthermore, as consideration for group discussion on BAF's performance, a general "Practice Trust" CTF (Conservation Trust Fund) was also explained in details, which included: (1) Governance, (2) Implementation, (3) Administration, (4) Reporting, Monitoring and Evaluation, (5) Asset Management, (6) Resource Mobilization & Cooperation

2. Session-2: Group Discussion

In the group discussion session, workshop participants were divided into 3 groups

accompanied by 1 facilitator to discussed assigned discussion topics on BAF lesson learned.

Regarding current BAF implementation, the topic of the first discussion session was "BAF Standard Practice". The focus discussion on each group are Group-1 on Governance Standards, Group-2 on the Implementation and Administration Standards, and Group-3 on Resources, Collaboration, and Communication Standards.

While the topic of the second discussion session was "Future BAF Challenges" with assigned focus on each group, namely Group-1 on the Integration of West Papuan Communities, Group-2 on Partner Capacity and Group-3 on BAF Operations with limited resources.

At the end of this session, representatives of each group presented the results of their group's analysis and discussion, and then got responses and future directions from other groups.

Group Presentation

The BAF Lesson Learned document is currently in the process of development by CI.
